

The Road America Chalet

*A great place to call home base
during your event at Road America*

Part of the Road America Facility, this lovely hillside chalet offers abundant room for your group event staff. It's a great way to combine event operations and management with accommodations.

A spacious gathering area offers a fireplace, cozy seating areas, and a magnificent view of the countryside. A large dining area also works well for round-table meetings.

The entire first floor can be arranged for flexible social, dining and/or meeting needs to suit groups of all sizes.

In addition to the gathering areas, the chalet offers five bedrooms with private baths—two on the lower level and three on the second floor.

Call Road America to learn more about how your organization can use the Road America Chalet as a one-stop meeting and lodging resource.
